ABOUT IEDC MEC

The Innovation & Entrepreneurship Development Cell (IEDC) of Government Model Engineering College, Kochi, seeks to enrich the entrepreneurial spirit and foster innovation among students. We are committed to building a strong system of support and guidance that helps early-stage startups steer their journey toward a sustainable and impactful future.

At our core, through creative workshops, insightful talks by successful entrepreneurs, and exciting competitions focused on pitching and product development, we aim to develop, nurture, and sustain the entrepreneurial spirit within each student. Our goal is to empower you to turn your innovative ideas into successful ventures.

ABOUT TECHNOPRENEUR

Technopreneur is the annual National-level entrepreneurial symposium of Government Model Engineering College, hosted by the Innovation & Entrepreneurship Development Cell (IEDC) in collaboration with Kerala Startup Mission. The first edition won the Best YI-Net Summit award at CII-National summit held at Mumbai.

The event features a plethora of activities, including idea pitching, hackathons, workshops, speaker sessions, panel discussions, and much more. With participation from over 2,000 individuals, including students, entrepreneurs, working professionals, and investors, Technopreneur '25 aims to uphold its past legacy with a modern upgrade. The symposium intends to train and upskill the eager minds who aspire to build their own enterprises.
