Navigating the Unknown: Overcoming Challenges
and Setbacks as an early stage founder

ABOUT IEDC MEC

The **Innovation & Entrepreneurship Development** Cell of Govt. Model Engineering College, Kochi seeks to enrich the entrepreneurial spirit and foster innovation among students. IEDC MEC aims to set up a system of guidance and support that can assist early stage startups to steer their journey towards a sustainable future.

In its bare essence, through creative workshops, talks by accomplished entrepreneurs, competition on pitching and product building, and more, IEDC MEC sets their sight on Developing, Nurturing and Sustaining entrepreneurial spirit within every student.

ABOUT TECHNOPRENEUR

Technopreneur is the annual National-level entrepreneurial symposium of Govt. Model Engineering College hosted by **Innovation Entrepreneurship Development** Cell, MEC in collaboration with **TiE Kerala, Kerala Startup Mission** and **Headstart Network Foundation**.

It consists of a plethora of events including idea pitching, hackathons, workshops, speaker sessions, panel discussions and much more.

With a participation of over 2000 individuals that include students, entrepreneurs, working professionals and investors, Technopreneur '23 aims to uphold it's past legacy with a modern upgrade and intends to train and up-skill the hungry minds that intends to build an enterprise of their own.
